I-751 Biometric Appointment Notices with Incorrect Application Support Center

U.S. Citizenship and Immigration Services (**USCIS**) **biometric** services appointment notices dated 05/04/2018 for I-751 Petition to Remove Conditions on Residence contain errors. These notices instructed Petitioners to appear on May 21, 2018 at Application Support Center (ASC) locations outside their normal geographical area.

Form I-751 is for applying to **remove the conditions** on a permanent resident status; it is filed by **conditional permanent resident** who obtained status through **marriage**.

Per USCIS, Petitioners with these erroneous biometric notices do not need to travel to ASC outside their geographical area, and instead, may choose the following:

1. Wait for their **new biometric** services appointment notice with the correct ASC and a new appointment date. Petitioners may check such case status online at https://egov.uscis.gov/casestatus/landing.do ; or
2. **Walk-i**n to the closest ASC for biometric services. Walk-in may not be seen on the same day. An applicant may locate the closest ASC at https://egov.uscis.gov/crisgwi/go?action=offices.type&OfficeLocator.office_type=ASC

For Petitioners who did not complete their biometric services through ASC walk-in or reschedule, USCIS will **mail new biometric** services appointment notices on June 8, 2018.
