Immigration News & Processing: USCIS Begins Returning Unselected H-1B Cap Petitions for FY 2019

U.S. Citizenship and Immigration Services (USCIS) have **completed data entry** for fiscal year 2019 (FY 2019) **H-1B Cap Petitions selected in the recent lottery system**, and will **start returning unselected petitions**. Although USCIS **does not have a specific time for petitions return**, it will **issue an announcement once all unselected petitions are returned**. H-1B petitioners will need to **wait for their H-1B receipt notices or returned petitions**, instead of seeking case status with USCIS.

Selected H-1B Cap Petitions may be transferred for adjudication between Vermont Service Center and California Service Center for balancing H-1B Cap

Petitions caseload. USCIS will issue notice regarding such a transfer. Once transferred, **H-1B petitioners will direct their future correspondence** to the service center adjudicating the H-1B Cap Petition.
